- Subscription and allowance (MB IP-Traffic and voice bundle) for the first month/period will be pro-rated.
- **Subscription and allowance (MB IP-Traffic and voice bundle) for the last month/period will be not pro-rated.**
- The promotion consists of a full credit of the **63,56 USD** subscription fee on the «0 MB/0 min» data Rate Plan. This refund is provided upon the achievement of a total spend of **297,00 USD** or more of postpaid data usage, postpaid voice usage, on an Iridium Pilot SIM-card during a single calendar month. The **297,00 USD** of monthly usage may be realized in any combination of postpaid data, postpaid voice usage. Subscription, allowance (MB IP-Traffic and voice bundle) and credit for the first month/period will be pro-rated.
- Any portion of such an allowance, whether it is for a complete month or is pro-rated, that remains unused at the end of a month will be lost and therefore not available for use in the following month.
- Calls placed from an ISU to another satellite network are billed separately and are not included in the voice bundles.
- Calls are charged in 20 second increments.
- The change in the data speed and the voice bundle are possible only from the 1st day of the month at the written request of the Subscriber for 3 working days.
- Should a SIM-card be suspended, then the subscription charge will continue to be applied.
- The total cost of telecommunications services per each SIM-card is settled as the sum of the costs of each communication session, indicated in the CDR detail. The cost-calculation of each communication session is made in accordance with the rules of mathematical rounding up to 2-decimal digits. The total cost of services (the invoice amount) for the billing period is defined as the sum of all final costs of communication services on each SIM-card.
- 1 Megabyte = 1000 Kilobytes=1000000 bytes.
- With Iridium +1 Access you get North American phone number in addition to your satellite number. Callers will be able to reach you directly by dialing either phone number.
- Two-stage call. The calling party is charged long distance rates from their origination point to Iridium's Two-Stage Dialing Platform number +1.480.768.2500 in the Tempe Gateway through their own LD carrier. The Iridium Customer is charged his PSTN-Two-stage rates for the call.
