- ISU - Iridium subscriber terminal.
- Subscription and allowance (MB IP-Traffic and voice bundle) for the first month/period will be pro-rated.
- Subscription and allowance (MB IP-Traffic and voice bundle) for the last month/period will be not pro-rated.
- If for a single calendar month using a SIM-card connected to the «0 MB/0 min» data Rate Plan, the invoice for traffic (IP-traffic and voice) will be more than **325,00 USD**, then the amount of the invoice for traffic for this single calendar month will be reduced by on the amount subscription fee.
- Any portion of such an allowance, whether it is for a complete month or is pro-rated, that remains unused at the end of a month will be lost and therefore not available for use in the following month.
- Calls placed from an ISU to another satellite network are billed separately and are not included in the voice bundles.
- Minimum paid traffic for each communication session:
 - voice calls - 20 seconds;
 - **IP-Traffic – 0,001 Megabyte.**
- The duration of each communication session is rounded up in the following increments:

- voice calls - 20 seconds;

- IP-Traffic – 0,001 Megabyte.

- Should a SIM-card be suspended, then the subscription charge will continue to be applied.
- The total cost of telecommunications services per each SIM-card is settled as the sum of the costs of each communication session, indicated in the CDR detail. The cost-calculation of each communication session is made in accordance with the rules of mathematical rounding up to 2-decimal digits. The total cost of services (the invoice amount) for the billing period is defined as the sum of all final costs of communication services on each SIM-card.
- 1 Megabyte = 1000 Kilobytes=1000000 bytes.
- With Iridium +1 Access you get North American phone number in addition to your satellite number. Callers will be able to reach you directly by dialing either phone number.
- Two-stage call. The calling party is charged long distance rates from their origination point to Iridium’s Two-Stage Dialing Platform number +1.480.768.2500 in the Tempe Gateway through their own LD carrier. The Iridium Customer is charged his PSTN-Two-stage rates for the call.
